

IMPORTANT INFORMATION

Loganair does not issue conventional flight tickets. All you need to do is to quote your booking reference and show proof of identification when you check-in for your flight.

Please make sure you read the following information and check your travel details.

Photographic identification

All passengers on international flights must have a valid passport and where required valid visa. Children who are not included on their parent's passport will require their own valid passport for travel abroad. British and Irish citizens must have a form of photographic ID which proves their nationality/citizenship for immigration purposes.

On domestic routes, adults must carry some form of official photographic identification but children under the age of 16 do not need to show ID. The adult they are travelling with can vouch for the infant's/child's identification, providing the relevant photo ID is shown (by the adult).

Late check-in may result in denied boarding. To ensure that you are in good time for your flight, it is important to note these check-in times:

For all domestic and short haul European flights:

- Check-in opens 1 hour 30 minutes before departure
- Check-in closes 30 minutes prior to departure

Flights cannot be held for passengers arriving late, and no responsibility can be accepted in such cases.
